Read the instructions carefully. Wrong installation, use or repair voided warranty. If recovery is needed, consult a dealer.

### General remarks

The amount of combinable panels depends on the awning type. Consult a dealer for further details.  
The sun can affect colors depending on usage.  
When it rains, put one side of the awning lower so that the water can drain.  
When wind reaches 6 Bft. please store the panels and close the awning.  
Don't place heat sources near the walls or the roof.

### Maintenance

Ensure that there are no hard objects on the window during folding. This is to prevent impressions.  
Let the panel dry thoroughly before long time storage.  
Use pure water or a dry brush to clean the panel.

Lees deze montage instructies aandachtig. Bij verkeerde montage, gebruik of eigenhandig herstel vervalt elke aanspraak op garantie. Indien herstel nodig is, raadpleeg een dealer.

### Algemene opmerkingen

Het aantal panelen dat men kan combineren is afhankelijk van de luifel. Raadpleeg een dealer voor meer details.  
De zon kan kleuren aantasten afhankelijk van het gebruik.  
Zet bij regen één kant van de luifel wat lager zodat het water kan aflopen.  
Vanaf windkracht 6 Bft. gelieve de panelen op te bergen en uw luifel te sluiten.  
Geen warmtebronnen in de buurt van de wanden of het dak plaatsen.

### Onderhoud

Zorg ervoor dat er geen harde voorwerpen op de ruit liggen tijdens het opvouwen. Dit om afdrucken te voorkomen.  
Laat de panelen goed drogen alvorens op te bergen voor langere tijd.  
Gebruik zuiver water of een droge borstel om de panelen te reinigen.

Lisez attentivement les notices d'installation. Une mauvaise installation, utilisation ou propre réparation annule toute garantie. Si la réparation est nécessaire veuillez consulter votre revendeur.

### Remarques générales

Les différentes combinaisons de panneaux dépendent de la longueur du store. Veuillez consulter votre revendeur pour plus d'informations.  
Dépendant de l'utilisation le soleil peut affecter le coloris de la toile  
Abaissez un pied de store pour obtenir un meilleur écoulement de l'eau en cas de pluie.
